## RETAIL WINE

### — FOR PURCHASE & TAKE-HOME —

Throughout Europe, fresh local wines of high quality and unique characteristics are priced as a less expensive alternative to bottled water. At Quartino we attempt to recreate this cultural wine phenomenon, highlighting fresh, high quality, food friendly, traditional style Italian wines served in our namesake "Quartino", (¼ liter), Mezzo (½ liter), and Litro (1liter) carafes. These hand picked selections represent previously undiscovered Italian gems from Italy's important wine producing regions. From Trebbiano, to Rosé, to Sangiovese and dozens of other varietals, Quartino offers an elegant wine for everyone's taste.
